

BERKELEY BURIAL COMMITTEE

CEMETERY ACCESS

As you are probably aware there has been discussion and debate over the access to the Cemetery through the new gates at Howmead. At a recent meeting of the Berkeley Burial Committee the residents of Howmead have offered a solution.

They are prepared to open the gates every Monday at **0900** and close them at **1500**. (Christmas Day excluded) This will commence on Monday August 1st

The Berkeley Burial Committee would like to thank the residents of Howmead for their support in this matter.
